

CSI Adapters: CMX2100 Series

CMX2171

Voltage Input

8 Pin circular M12 to BNC jack,
Channel A (red) voltage

For CSI 2140 only.

CMX2172

Voltage and Tachometer

8 Pin circular M12 to BNC jack for
voltage, Channel A (red) and BNC
plug for tach (yellow)

For CSI 2140 (TTL tach input only).

CMX2173

Dual Channel Voltage Adapter

8 Pin circular M12 connector
to dual BNC jacks for voltage
Channel A (red) and B (blue).

For CSI 2140 only.

CMX2174

Dual Channel Voltage Input

8 Pin circular M12 connector to dual
BNC jacks for voltage Channel A
(red) and B (blue), and one BNC plug
for tach (yellow).

For CSI 2140 only.

CMX2175

Three Channel Voltage Input

8 Pin circular M12 connector to
3 BNC jacks for voltage Channel A
(red), B (blue), and C (grey).

For CSI 2140 only.

CMX2176

Three Channel Voltage Input

8 Pin circular M12 connector to
3 BNC jacks for voltage Channel A
(red), B (blue), and C (grey), and one
BNC plug for Tach (yellow).

For CSI 2140 only.

CMX2177

Three Channel Voltage Input

8 Pin circular M12 connector to
4 BNC jacks for voltage Channel A
(red), B (blue), C (grey), and D (black).

For CSI 2140 only.
