

REACH Compliance Statement

Dear Valued Customer:

Connection Technology Center, INC supports the goal of REACH (Registration, Evaluation, and Authorization of Chemicals). The European Union passed legislation on June 1, 2007 that oversees the registration, evaluation, and authorization of particular chemicals within the European Union Community.

Connection Technology Center, INC hereby certifies that to the best of our knowledge and based on the information available to us from our suppliers its products do not intentionally contain any of the Substance of Very High Concern (SVHC) currently on the candidate list last updated on February 4, 2026 above the threshold limit as defined in Article 57 or any substance restricted in Annex XIV and XVII.

For a full list of Substances of Very High Concern, please visit:
